

Courtney **niemczyk**

Motion Graphics Designer

ABOUT

Skilled and creative motion graphics designer seeking a challenging and flourishing work environment. Attention to detail allows me to create dynamic 2D and 3D animations utilizing software from Autodesk, Maya, and Adobe. My skillset coupled with my devotion to evolving motion graphics allows room for a thriving position within this industry.

EXPERIENCE

○ Motion Graphics I
FREELANCE

2015-current

- Worked with clients to mature a concise message of their brand with the creation of short motion graphics clips using Autodesk's Maya and Maxon's Cinema 4D.

○ Sumbody and Sumtime Spa I

- Sumbody Spa allows me the opportunity to utilize my assertive organizational and managerial skills in order to maintain flow and function of the massage center.

○ Olive Media I

2/14-11/14

- Working at Olive Media encouraged me to utilize my marketing skills for maximum business growth.

○ Hyatt Regency I

2007-2012

- Required excellent communication skills and confidence in guest service within a luxury hotel environment. Working in many different areas of the hotel, the Hyatt maintained a strong emphasis on versatility to ensure each employee operated at maximum capacity.

EDUCATION

○ California State University, Eastbay | completed 2017

- Recent graduate of CSUEB that developed a vast skillset in motion graphics. Learning various software ranging from Adobe Creative Cloud to Maxon Cinema 4D, I acquired a plethora of knowledge revolving around graphic design, video, animation and motion graphics.

- Other skills include, **projection mapping, frontend web development, creative code, installation work.**

○ College of Marin

Associates of Arts, 2014
